**A DRAMA VIVID AS LIGHTNING**

ALLAN DWAN'S PRODUCTION OF  
**THE SCOFFER**

With a Special Cast, Led by  
Mary Thurman—James Kirkwood  
Philo McCullough—Rhea Mitchell  
Noah Beery—Eugenie Bessner

Seldom has the screen revealed such a torrent of power as surges through this masterful drama of man's hate against man's fear; woman's perfidy against girl's love, and scoffer's skill against God's might. A burst of vivid realism that mental weaklings will not enjoy, but that will appeal with irresistible force to the finer instincts of playgoers of mature vision.
